Greetings for the day from

Professor's Global School

Circular – Water Break Initiative

Date: 17th July 2025

Subject: Scheduled Water Breaks to Promote Hydration

Dear Parents and Guardians,

In view of the ongoing summer season and to ensure the well-being of our students, the school is introducing dedicated water breaks to help children understand and adopt the habit of regular hydration.

Starting from 18th July 2025, students will be encouraged to drink water before the break and immediately after the break. Teachers will gently remind and monitor the students during these times to help them build this healthy habit.

We request your cooperation in the following:

Ensure your child carries a clean, filled water bottle to school daily.

Reinforce the importance of staying hydrated at home as well.

Let's work together to instill in our children the value of good health and mindful habits.

Regards,

**Tanya Gupta
Principal**
