## RECREATIONAL TRIP – MADHAVGARH

### Recreational Trip – Madhavgarh Farm, Gurugram

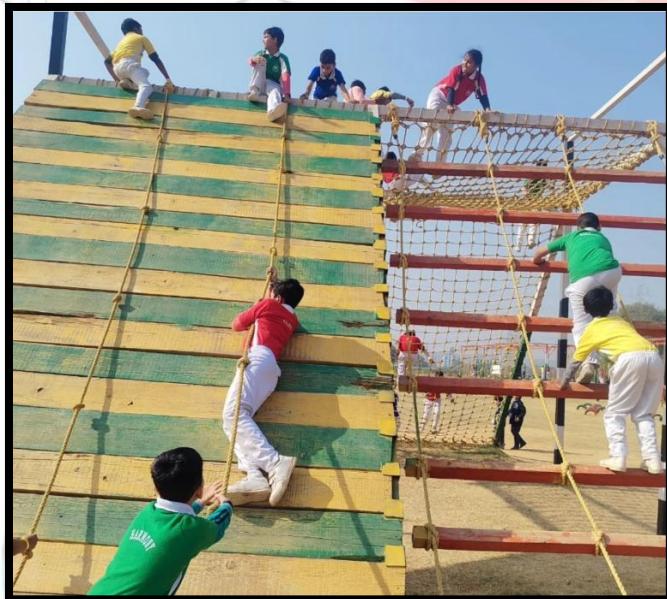

Professor's Global School organized a recreational picnic for students of Grade III onwards on 5 December, to Madhavgarh Farm, Gurugram. Students assembled in the morning with great enthusiasm and departed from the school at 8:00 am, accompanied by teachers.

Upon arrival, the students received a warm welcome by the farm coordinators. The site offered a delightful rural ambience with lush greenery and a traditional village setup. Throughout the day, students engaged in a variety of enjoyable activities such as tractor ride, camel ride, pottery making, tug of war, archery, Burma bridge, commando net, village games, and adventure obstacles, which boosted their confidence, teamwork, and physical agility.

A wholesome and delicious lunch was served, after which students enjoyed DJ dance, fun races, and open field games. Their laughter, energy, and cheerful interactions reflected how much they relished the experience. Teachers ensured proper supervision, safety and smooth coordination throughout the day.

In the evening, the students returned to school joyfully, carrying beautiful memories of the picnic. The trip was truly refreshing, recreational, and enriching, offering students a pleasant break from routine and strengthening peer bonding.

**Professor's Global School organized a workshop titled "Cyber Security in the Age of AI" on 18 December for students of Grades VI to VIII. The workshop was conducted by the expert Ms. Simmi with the objective of creating awareness about cyber safety and responsible digital behaviour among students.**

**The session began with an interactive discussion on the apps commonly used by students and an explanation of different types of crimes, with special emphasis on cyber crimes. The expert clearly explained what cyber security is and why it is essential in today's AI-driven digital world.**

**Students were guided about safe and unsafe cyber activities and were informed about common cyber threats such as phishing, fake messages, and fraudulent links. The importance of using a strong password was highlighted, and students were advised not to write passwords on paper or share them with anyone.**

**The workshop also included an explanation of cookies in online links and how websites track user activity. Students were encouraged to think before they click on any unknown or suspicious link. They were made aware of fake URLs that look real but are unsafe, and were strictly advised never to share passwords through links or online messages.**

**The concept of digital footprint was explained to help students understand the long-term impact of online actions. Students were cautioned against sharing personal photos just to follow online trends. The expert encouraged students to be SMART users by being safe, mindful, alert, responsible, and thoughtful online.**

**The importance of cyber safety was discussed in detail, along with ways in which students can help family members stay safe online, especially elders. The session concluded with a Cybersafety Pledge focusing on Use, Protect, and Respect, promoting responsible digital citizenship.**

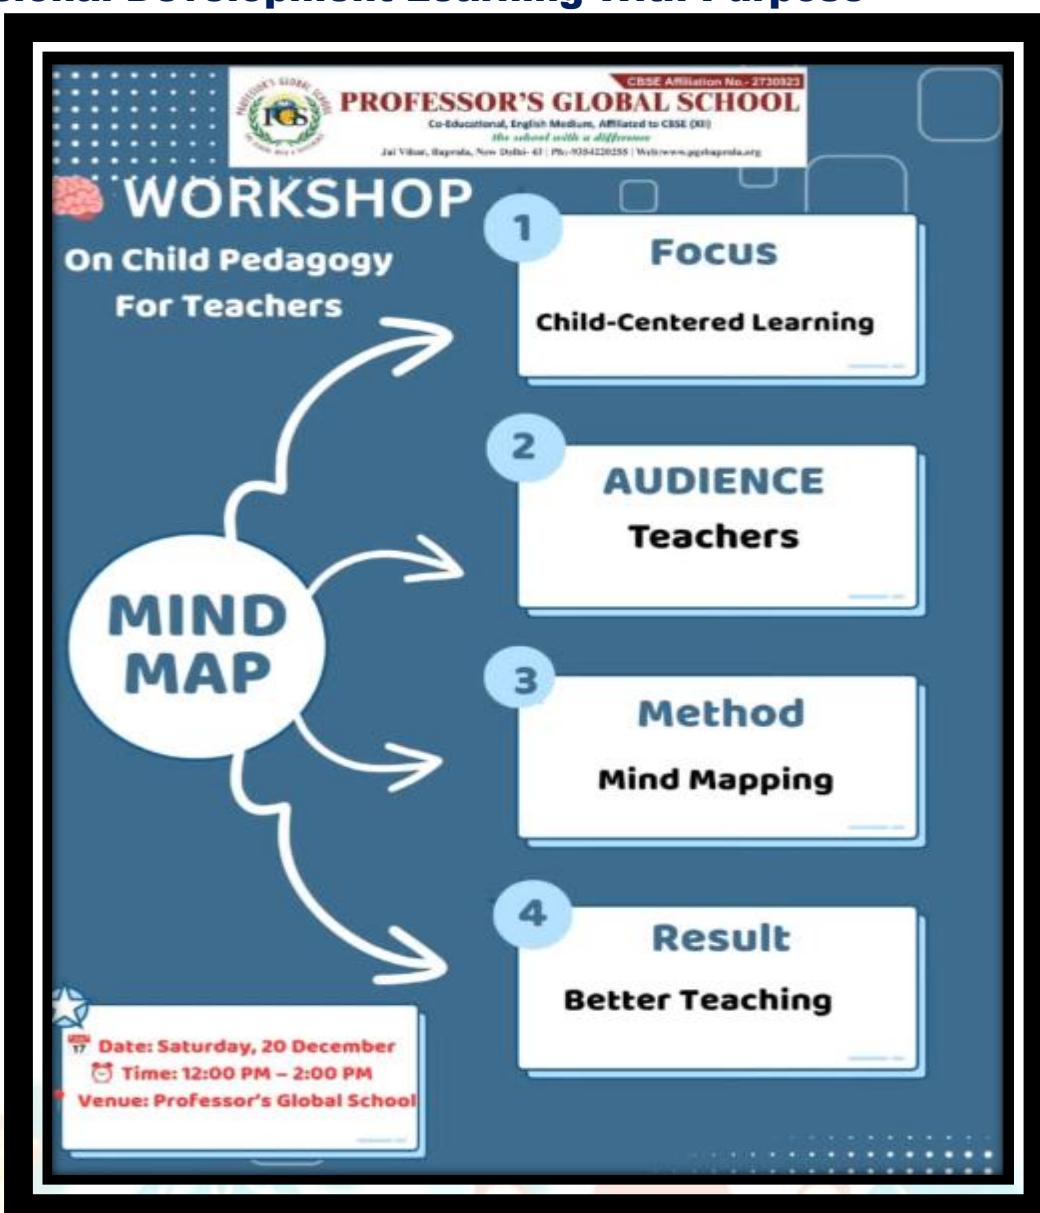

**Students were also taught the reflection rule Stop, Think, Check, and Click before taking any online action. Information about the Adult Cyber Helpline number 1930 and the official reporting portal cybercrime.gov.in was shared for awareness. The workshop was informative and engaging, and it successfully enhanced students' awareness about cyber security and safe online practices in the age of AI.**

## **EJIOPC AI FOUNDATION COURSE FOR TEACHERS**

An AI Foundation Course under the JioPC platform was conducted for teachers on 18 December at Professor's Global School. The programme aimed to enhance teachers' understanding of artificial intelligence and its practical application in education.

During the session, teachers logged in to the JioPC platform and enrolled themselves in the course. They explored various learning modules and attempted a questionnaire round in which they answered multiple questions related to the course content. Upon successful completion, the participants received certificates.

The programme followed the learning approach of **Attend, Explore, Attempt, and Apply**, which helped teachers gain hands-on experience with AI-based tools and concepts. The session proved to be informative and beneficial, enabling teachers to strengthen their digital and technological skills.

## **AI FOR EDUCATORS – ONLINE WEBINAR**

**Professor's Global School teachers successfully participated in the online webinar titled “AI for Educators – Session 2 of 4”, organized in collaboration with Google for Education and the Delhi AI Grind Team.**

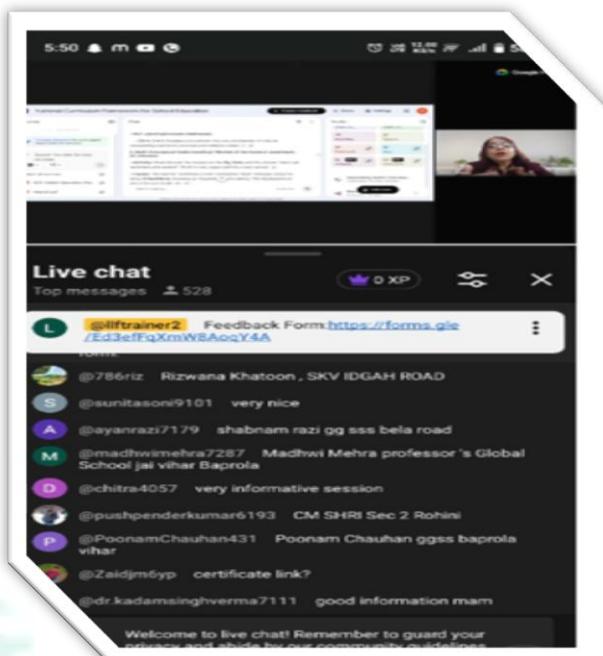

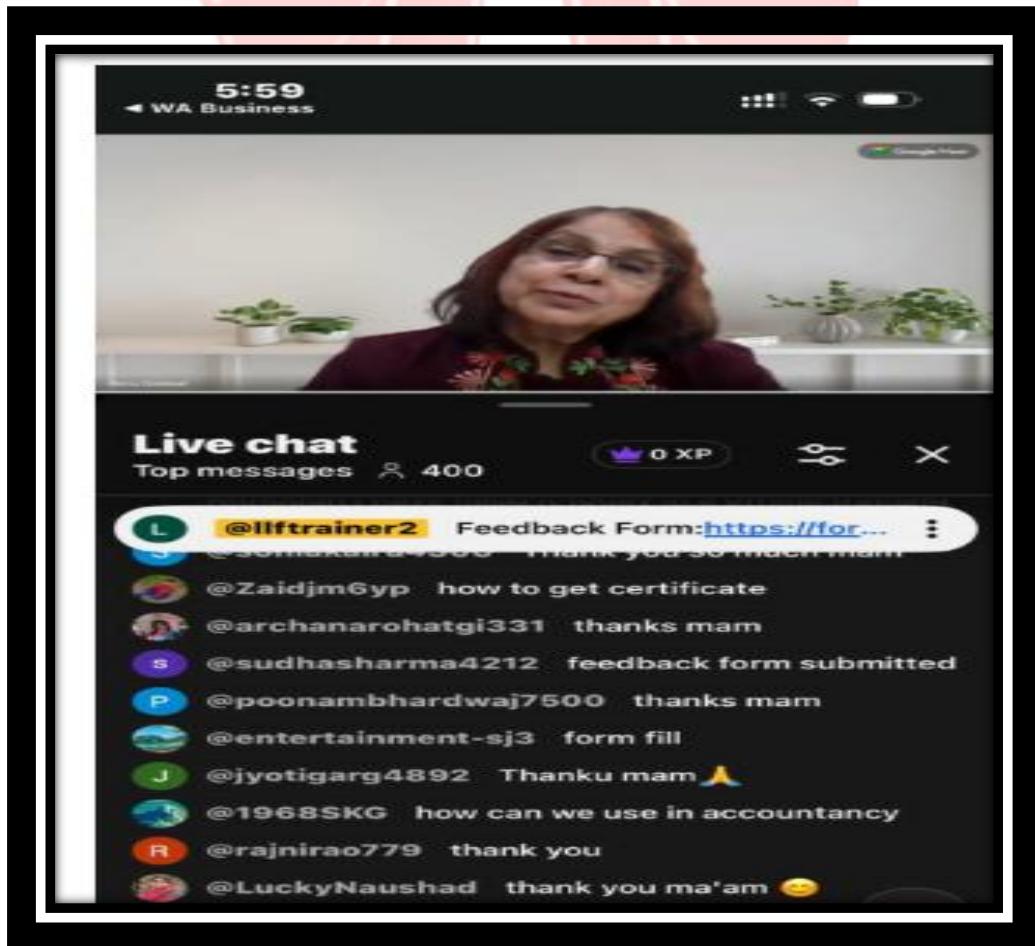

**The webinar was conducted on 20th December (Saturday) from 4:00 PM to 6:00 PM and was attended online through a live YouTube session. The programme was open to teachers and mentors and focused on the effective use of Artificial Intelligence tools in the field of education.**

**During the session, educators were guided on innovative teaching practices and the effective implementation of Mini Grinds at the school level. The session proved to be informative and beneficial, enhancing teachers' understanding of AI integration in classrooms.**

**At the end of the webinar, a feedback form was shared in the live chat, which remained open for one hour. All participating teachers from Professor's Global School successfully completed the feedback form within the stipulated time.**

**As a result, the teachers received online certificates from Google for Education, acknowledging their active participation and successful completion of the session.**

**The webinar was highly enriching and contributed positively to the professional development of the teachers.**

## BHAJAN COMPETITION

On 20 December, a Bhajan Competition was organized by Rashtriya Seva Bharti Sanstha in Delhi. The event was conducted in a devotional and cultural atmosphere. Dr. Rajbir Solanki graced the occasion as the Chief Guest.

Three students from our school participated in the competition. Shreya Kumari, Arnav, and Aryan from Class VII, Nalanda, represented the school and showcased their musical talent with great dedication and devotion.

The students presented their bhajans confidently and received appreciation from the chief guest and the organizers. The event proved to be a valuable and inspiring experience for the participants.

## **CHESS TOURNAMENT ACHIEVEMENT**

**The MOVE N LEAP Chess Tournament (Under-13 Category) was held on 21 December 2025 at Noida Sector 40, Uttar Pradesh. The tournament witnessed enthusiastic participation from young and talented chess players.**

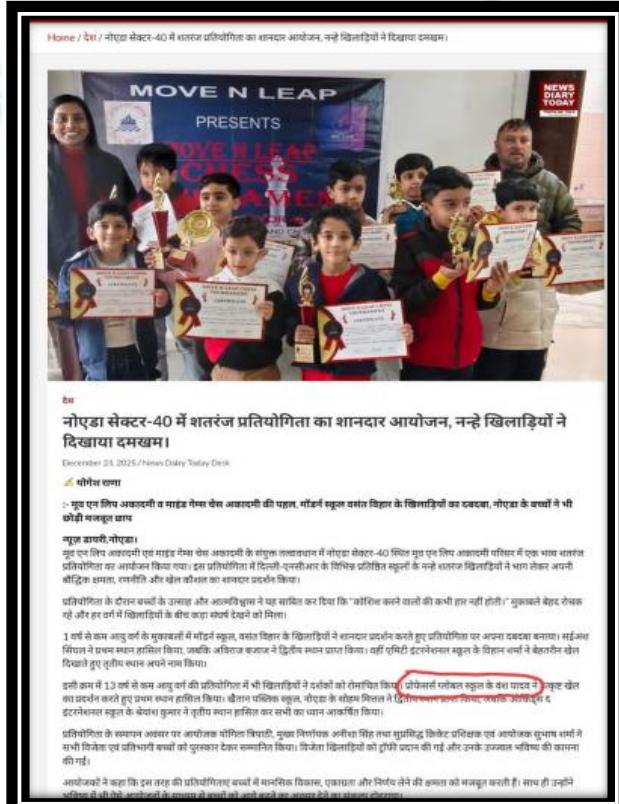

**A total of 15 participants competed in the event, and 5 rounds were successfully conducted during the tournament. The competition was well-organized and provided an excellent platform for students to showcase their strategic thinking and competitive spirit.**

**Vansh Yadav, a student of Class 6 (Vallabhi) of Professor's Global School, delivered an outstanding performance and secured the First Prize by winning all five rounds of the tournament. His remarkable display of strategy, focus, discipline, and sportsmanship was highly commendable.**

**The winner was felicitated with a trophy by the Chief Arbiter, Ms Anisha Singh, in recognition of his exceptional achievement. The accomplishment was also covered as a news article in the \*News Diary today.\***

**This achievement marked a proud moment for Professor's Global School. The school management extended heartfelt congratulations to Vansh Yadav for his success and wished him continued excellence and greater achievements in future competitions.**

## VANSH YADAV

## CHRISTMAS DAY

Professor's Global School celebrated Christmas Day on 24 December with great joy and enthusiasm. The celebration commenced with the morning assembly, which created a festive, calm, and peaceful atmosphere across the school campus.

During the assembly, students presented a beautiful skit on the birth of Jesus Christ, highlighting His message of love, peace, and humanity. The performance was meaningful and was highly appreciated by everyone present.

Following the skit, Abhishek Sir delivered an inspiring speech on the life and teachings of Jesus Christ. He motivated the students to imbibe the values of kindness, compassion, sharing, and forgiveness in their daily lives.

Thereafter, the students of Class 7 sang a melodious Christmas song that added charm and warmth to the celebration. This was followed by the presentation of the school song, which was sung with great enthusiasm and unity by the students.

To make the celebration more joyful and engaging, Raj Harsh Sir, dressed as Santa Claus, entertained the children and distributed gifts, spreading happiness and excitement among them.

In addition to the assembly programme, various creative classroom activities were organized to enhance students' participation and creativity. Students enthusiastically took part in Santa face mask making, Christmas bell making, and Christmas tree-making activities in their respective classrooms. These activities helped students express their creativity and understand the festive spirit of Christmas in a joyful manner.

At the end of the programme, the Principal Ma'am addressed the gathering, appreciated the sincere efforts of the students and teachers, and extended her warm Christmas wishes to all. The celebration concluded on a happy and memorable note, spreading the true spirit of Christmas—love, joy, peace, and togetherness—among everyone.

Spreading joy, warmth, and festive cheer! 🎄🌟

**Professor's Global School wishes everyone a Merry Christmas filled with happiness, peace, and togetherness.**

## **\*PARENT-TEACHER CONFERENCE\***

**On 27 December, Professor's Global School organized a Parent-Teacher Conference, during which the PT-2 results were formally declared. The conference provided an effective platform for meaningful interaction between parents and teachers regarding students' academic progress and overall development.**

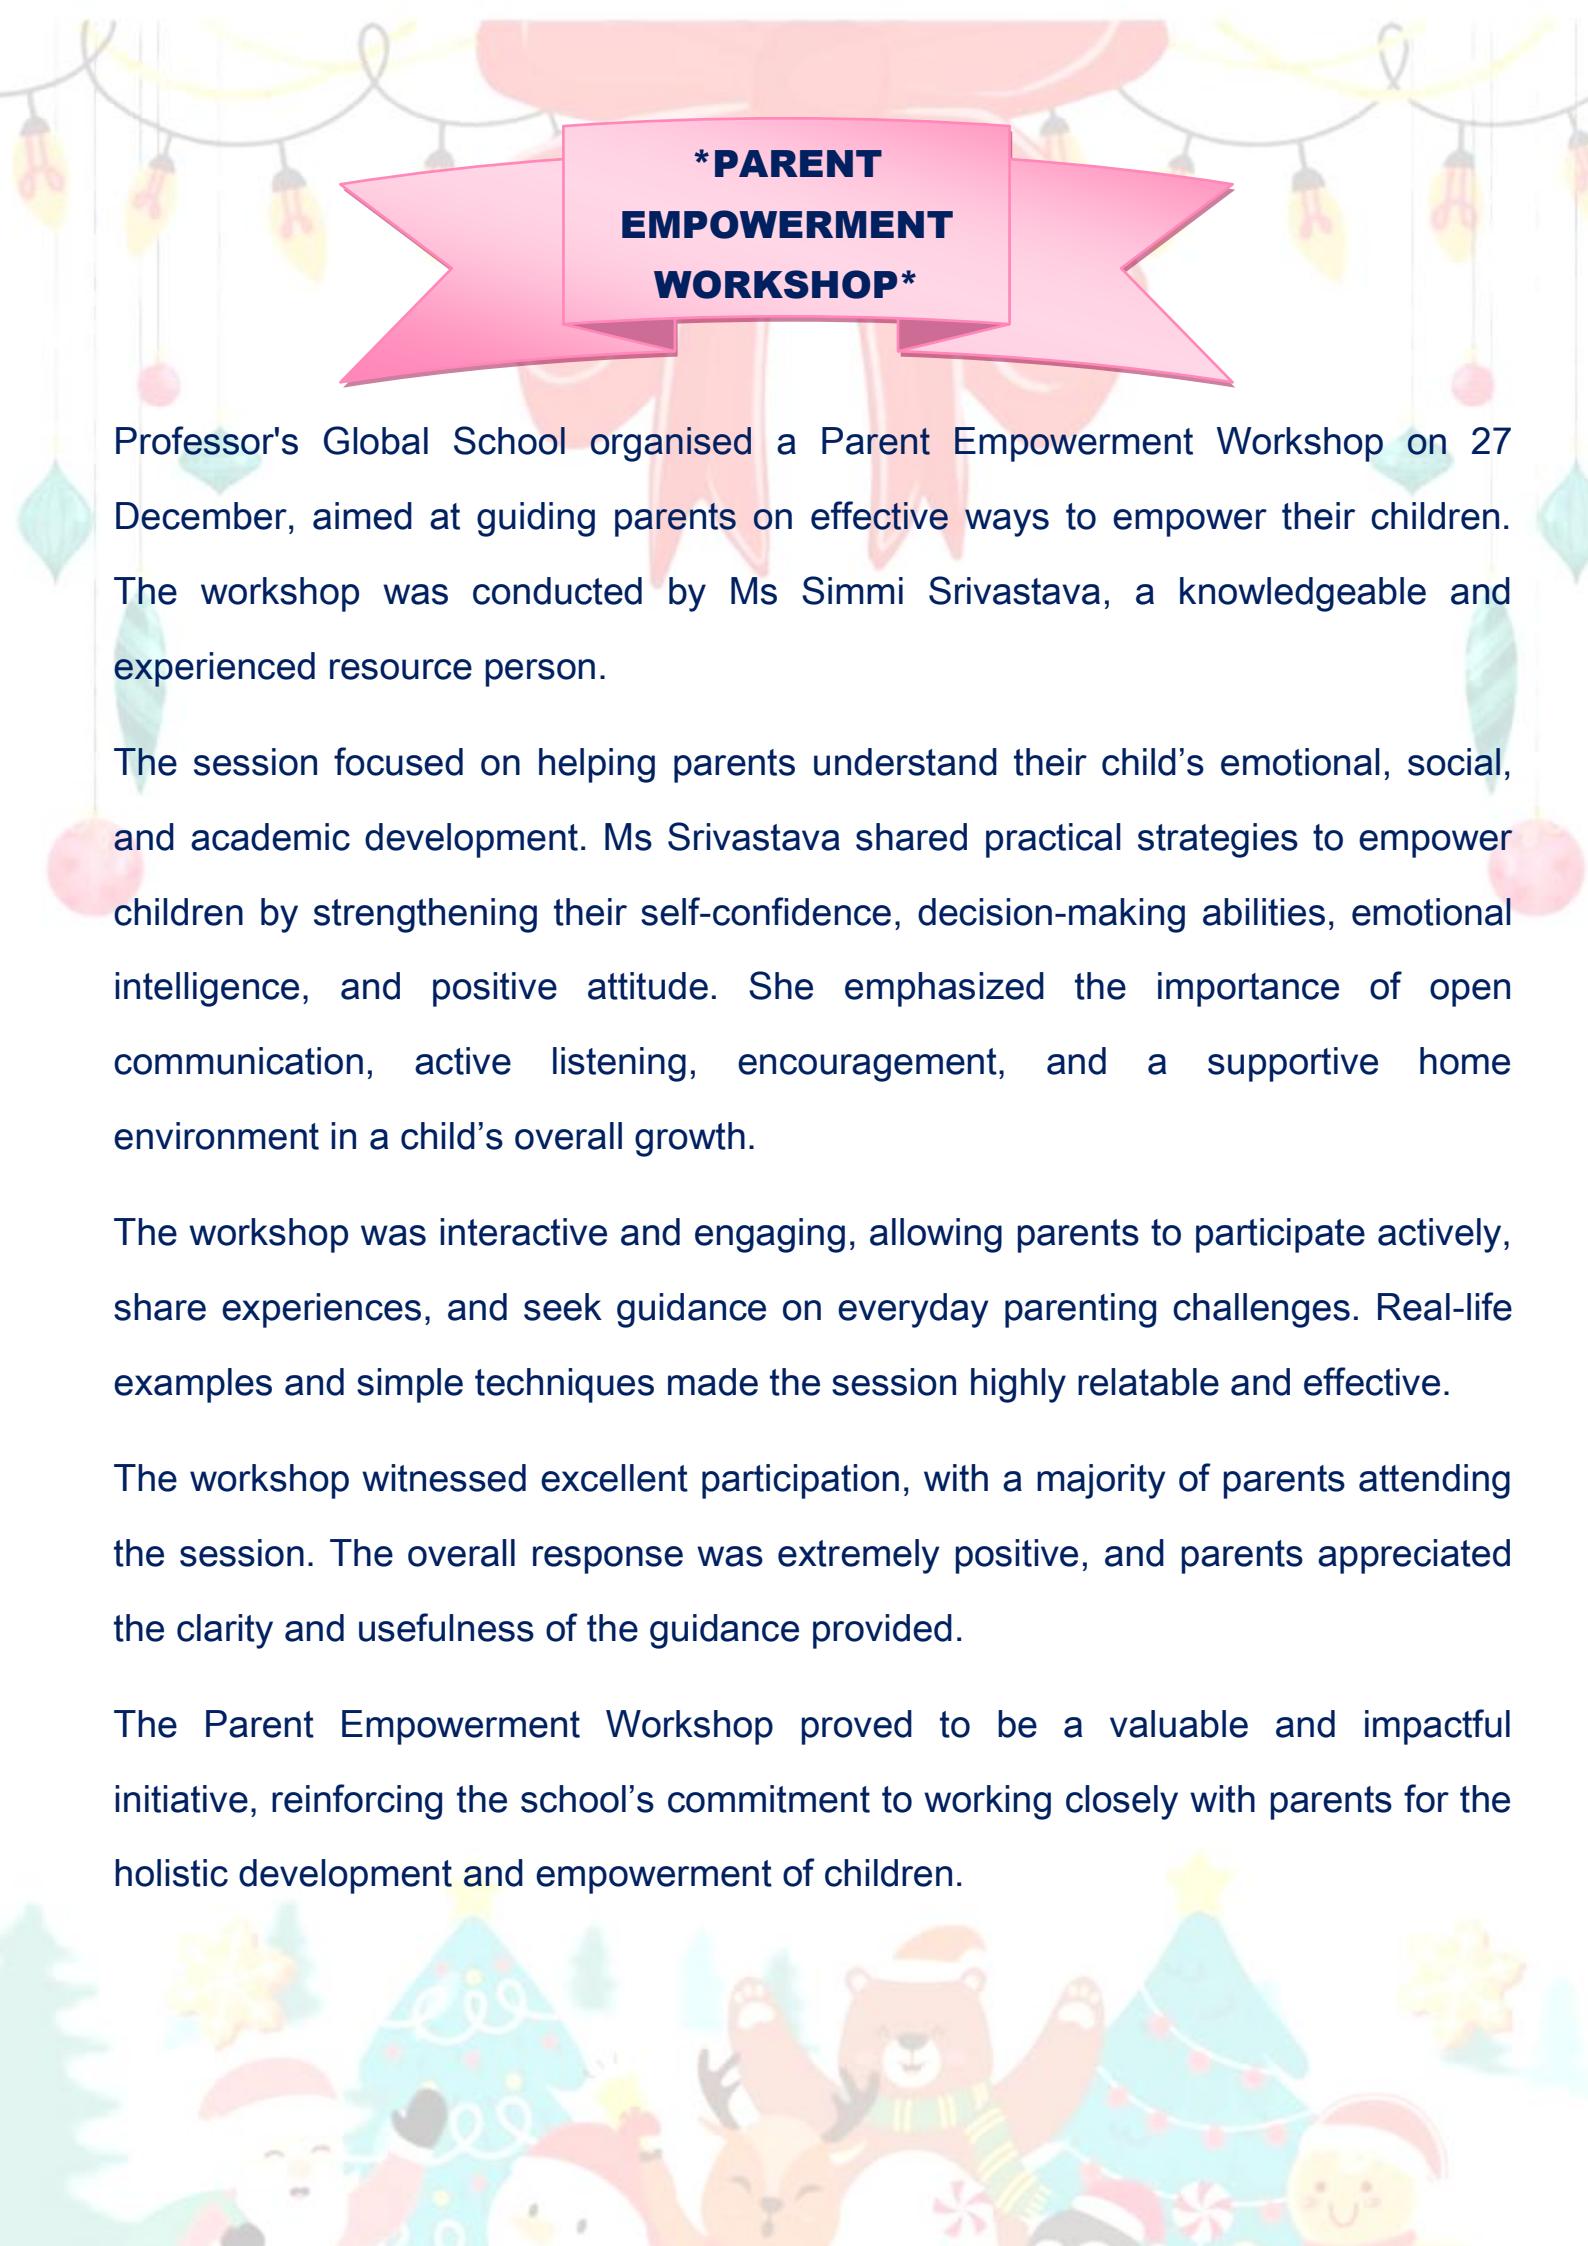

**Teachers discussed students' performance in detail, highlighting their strengths and areas for improvement. Parents appreciated the clear feedback and constructive guidance shared by the faculty.**

**A special highlight of the conference was the "Wall of Fame" displayed at the main gate, where parents were invited to share their comments and feedback. A large number of parents participated enthusiastically and expressed their positive views. The feedback received was highly encouraging and reflected parents' satisfaction with the school's academic efforts and supportive environment.**

**The Parent-Teacher Conference was well organized and successful. It strengthened the school-parent partnership and reaffirmed the shared commitment towards the continuous growth and success of the students.**

## **\*PARENT EMPOWERMENT WORKSHOP\***

Professor's Global School organised a Parent Empowerment Workshop on 27 December, aimed at guiding parents on effective ways to empower their children. The workshop was conducted by Ms Simmi Srivastava, a knowledgeable and experienced resource person.

The session focused on helping parents understand their child's emotional, social, and academic development. Ms Srivastava shared practical strategies to empower children by strengthening their self-confidence, decision-making abilities, emotional intelligence, and positive attitude. She emphasized the importance of open communication, active listening, encouragement, and a supportive home environment in a child's overall growth.

The workshop was interactive and engaging, allowing parents to participate actively, share experiences, and seek guidance on everyday parenting challenges. Real-life examples and simple techniques made the session highly relatable and effective.

The workshop witnessed excellent participation, with a majority of parents attending the session. The overall response was extremely positive, and parents appreciated the clarity and usefulness of the guidance provided.

The Parent Empowerment Workshop proved to be a valuable and impactful initiative, reinforcing the school's commitment to working closely with parents for the holistic development and empowerment of children.

## IT CLUB ACTIVITY – BINARY BOT

\*Overview: IT Club Activity – Binary Bot\*

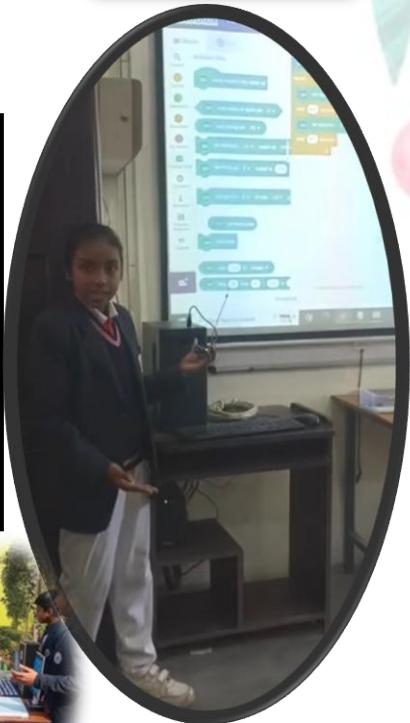

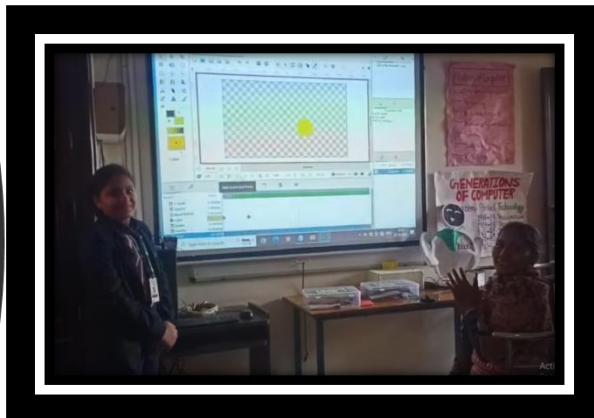

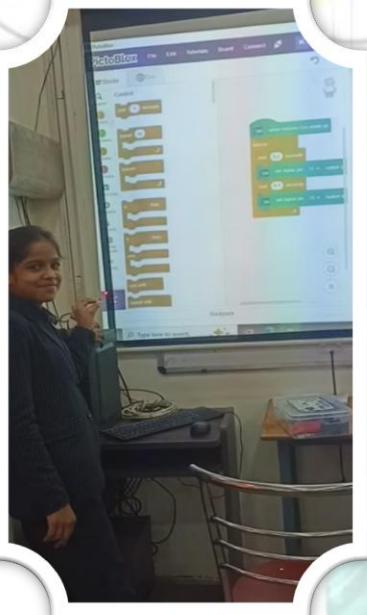

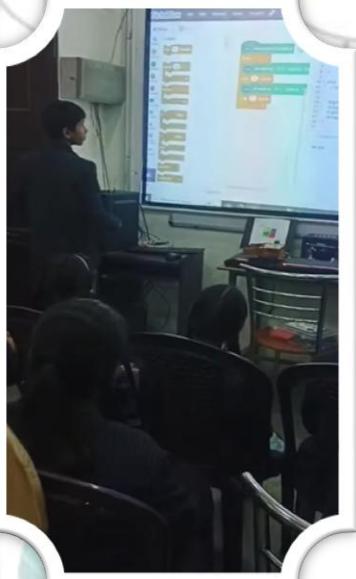

On 27 December, Professor's Global School organized an IT Club activity titled "Binary Bot – Computer Project Work." The activity was conducted with the aim of promoting creativity, technical awareness, and practical learning among students. Students prepared and showcased a wide range of computer-related models and projects based on various IT concepts. Parents were invited to visit the exhibition and observe the projects displayed by the students. They attended the event in good numbers and showed keen interest in the exhibits.

During the activity, students confidently explained their models to the parents, sharing details about the concept, working, and importance of each project. Their explanations reflected strong subject knowledge, confidence, and effective communication skills.

The projects were innovative, well-prepared, and informative. Parents appreciated the students' hard work and creativity and praised their ability to explain technical concepts clearly.

The IT Club activity was well organized and highly successful. It provided students with valuable hands-on learning experience and strengthened the collaborative bond between parents, students, and the school.

# NEW EDUCATION POLICY AND ITS IMPACT ON THE EDUCATION SYSTEM

**Prof. (Dr.) Rajbir Solanki, our Honourable Chairperson, has been featured in Navbharat Times dated 29 December 2025, where he shared his insightful views on the New Education Policy and its impact on the education system over the past six years.**

**13 नई शिक्षा नीति के 6 साल बाद 2026 में क्या रद्द मारना खत्म कर बच्चों में सोचने की समझ पैदा कर पाएगी?**

राष्ट्रीय शिक्षा नीति 2020 के अनुकर स्कूल से लेकर विश्वविद्यालय तक सिलेक्स और शिक्षा प्रवाली में बदलाव जारी है। परीक्षा परीक्षा और नव्यवाचन के तरीकों में सुधूर शुरू हो गया है। 2026 में सीधीसर्व दसवीं की बोंड परीक्षा दो बार होगी, और नए साल में शिक्षा में बड़े बदलाव देखने को निश्चित है। इन बदलावों से रटने की आदत छोड़-दौरे कम हो रही है। एटेन ट्रेनिंग या पेटर्न भी बदलाव रटने की बढ़ाव छात्रों में आलोचनामक सोच यानी क्रिटिकल थिंकिंग को बदलने की कोशिश की जा रही है। स्वदैर्य भाषाओं में शिक्षा, कौशल विकास और प्रौद्योगिकी के इस्तेवाल से रटने की आदत कम होगी। शिक्षा में सुधार केवल छात्रों तक सीमित नहीं है, बल्कि शिक्षकों की तैयारी और मूल्यांकन प्रणाली भी जल्दी है। बालवाटिका तत्व के शिक्षकों को नई तकनीक से पढ़ने के लिए तैयार किया जा रहा है। इससे कालास्तम में पढ़ाई अधिक समझ पर आधारित होगी और रटने की आदत कम होगी। राष्ट्रीय शिक्षा नीति स्पष्ट रूप से कहती है कि परीक्षा प्रवाली बच्चों की कमता बढ़ाने की होती चाहिए, केवल याद करने की हीत पर निर्भर नहीं। सीधीसर्व और अन्य लोर्ज ग्रेड्स, प्राथमिक स्कूलों तक सामाजिक और जीवन ज्ञान देते हैं।

**14 क्या लीग क्रिकेट के असर से टेस्ट-वनडे सिमट जाएंगे और खिलाड़ी सिर्फ़ फ्रेंचाइजी के होकर रह जाएंगे?**

इसमें दो राय नहीं है कि अतिम रूप से तो लीग क्रिकेट से खेल में सबसे ताकतवर और प्रभावशाली भूमिका अदा करने वाली है, लेकिन मुहूर्त लगता है कि ऐसा एकादम निकट भविष्य में होने की सम्भवता कम है। उसमें थोड़ा-सा कल जल्द लगाने काल है। युक्त आप देखें तो दुनिया की सबसे ताकतवर क्रिकेट संस्था भारतीय क्रिकेट कंट्रोल बोर्ड (BCCI) इस समय पूरी तरह परिवहन नजर आ रही है कि हमें द्विपक्षीय क्रिकेट को भी पूरा-पूरा सम्मान देना है और वह विश्व कप जैसे टूर्नामेंट्स को भी काली महल्यांग मनाती है। दूसरे, भारतीय क्रिकेट बोर्ड उत्तम है, तो वास्तु दुनिया उसका अनुसरण करती है। मैं दुनिया के बाजी क्रिकेटर्स के बारे में तो नहीं कह सकता, लेकिन भारतीय क्रिकेटर्स अपनी नेशनल दृष्टी छोड़कर तुरत पूरी तरह लीग क्रिकेट की तरफ उन्नुच हो जाए, ऐसा तो नहीं लगता। लीग क्रिकेट की इशारोंमें भी ऐसी है कि वह भारतीय क्रिकेटर्स के बिना बहुत कठल-पूल नहीं सकती। मेरा मानना है कि दुनिया को सबसे भावशाली क्रिकेट बांधी होने के नाते बीरीरीआद क्रिकेट के प्रस्तावित फॉर्मेंट्स और विभिन्न विभिन्न दृष्टिकोणों की ओर से देखना बहुत जरूरी है।
